

MACLAREN YOUTH CORRECTIONAL FACILITY

Visiting Update | August 2020

Visiting Starts Again This Month

We are happy to share that we will be able to allow families to visit youth in person again starting Wednesday, Aug. 12.

We really appreciate you hanging in there during these last four and a half months without in-person visits. We know it's been hard for you and for your youth.

That's why we worked with Oregon Health Authority to create a plan for how to have safe visits.

This is not a full return to visiting the way it was before. But it is something that will allow you to see your youth while hopefully keeping everyone healthy.

How Visits Will Work

- **Each living unit will have a specific time when they can have visitors.** Visiting times will be 45 minutes long. Youth will only be able to have visits during the time for their unit.
- **All visits will happen in MacLaren's Visitation Center.** You have to schedule your visit in advance (see more info on page 2).
- **Only two visitors may visit a youth at a time, and they must be from the same household.** They will have to sit at the same table during the visit, without much distance between them.
- **Visitors must be the youth's immediate family members, be on the youth's Approved Visitors List, and be 18 or older.** We cannot allow infants, toddlers, or other adolescent children at this time.
- **Our vending machines and canteen will not be available.**
- **Face coverings are required at all times.** You will need to bring your own.
- **There will be a clear plastic wall between you and your youth.** Your tables will be six feet apart. There will also be clear plastic walls on the sides of your table, to keep visitors from spreading germs to each other.

You May Only Bring These Inside

Current photo ID
(required if you are 13 or older)

Mask or face covering
(required at all times)

Automobile key and remote

Feminine hygiene products
(no more than 5)

Medicine you need to stay alive, such as an inhaler
(must be in original container or box with prescription label)

MacLaren Visiting Update | Check-In Information

Check-In Information

- Visitor check-in begins 10 minutes before your scheduled visit time. While waiting outside, please stay at least six feet away from other visitors and wear your mask or face covering.
- At the gatehouse, you will need to wash your hands and answer questions about whether you have symptoms of COVID-19. If any of these things are true, we cannot let you inside:
 - Your medical provider has medically mandated that you must stay home.
 - You have any of these symptoms: cough, fever, muscle pain, shortness of breath, chills, sore throat, or a new loss of taste or smell.
 - Your temperature is 100.4 or higher. We will check your temperature at the gatehouse.
- You will have to sign a waiver that says you understand the risks of COVID-19.
- As always, you will have to clear a metal detector before going inside. Any items you bring will go through an x-ray machine.
- Please review our clothing rules and make sure your clothing is appropriate before you arrive.
- You must wear a face covering at all times. This includes when you're waiting in line to check-in, while you are checking in, and while you are inside the facility.

Visiting Schedule

You must schedule your visit before you come. Visits may only be scheduled one week in advance. At this time, we cannot allow visits outside of the times listed here. To schedule, call 971-707-8031.

Unit	Day	Time
Lake	Wednesday, Aug. 12	1-1:45 p.m.

	Wednesday, Aug. 19	4:15-5 p.m.
Granite	Sunday, Aug. 16	12:15-1 p.m.
	Wednesday, Aug. 19	5:20-6:05 p.m.
Haystack	Sunday, Aug. 16	1:30-2:15 p.m.
	Wednesday, Aug. 19	6:25-7:10 p.m.
Jasper	Sunday, Aug. 16	2:45-3:30 p.m.
	Wednesday, Aug. 19	7:30-8:15 p.m.

MacLaren Visiting Update | Check-In Information

NO Do Not Bring These Inside

Weapons or potential weapons

Cell phones and mp3 players

Purses, briefcases or backpacks

Wallets

Cameras or audio/video recorders

Laptops, flash drives, or anything that connects to the internet

Tobacco, marijuana, and vaping products
(not allowed anywhere on the MacLaren grounds)

Prescription drugs, unless you need them to stay alive

Illegal drugs or paraphernalia

Money
(money for youth must be mailed)

Food or drinks

Water bottles

Packages or pictures
(must be mailed; not allowed at all for youth in Maple, Noble, and Summit)

NO Do Not Wear These

Low-cut shirts or shirts that reveal your lower back or undergarments

Short skirts

Short shorts

Sleeveless shirts, spaghetti strap shirts, and tank tops

Clothing that is torn in inappropriate places

Bras with an underwire
(these may set off the metal detector)

Watches

Fanny packs, money belts, or belts with compartments

Hats, beanies, or other headwear
(if you need a religious head covering, talk with your youth's case coordinator before coming to visit)

Professional or college sports team logos

If we think your clothing is disruptive or inappropriate, we will not let you inside MacLaren.

We are trying to create a positive, family-friendly environment for youth, families, and other visitors.

Messages that promote drugs, tobacco, alcohol, violence, pornography, nudity, gangs, or prejudice, or are demeaning to others

MacLaren Visiting Update | Frequently Asked Questions

How do I schedule a visit?

To schedule, call 971-707-8031. You must schedule your visit before you come. Visits may only be scheduled one week in advance. At this time, we cannot allow visits outside of the times listed on page 2.

Will I be able to hug my child?

No. We're sorry that we can't allow any physical contact right now. The risk of youth and visitors spreading the virus through hugs is too high.

Oregon Health Authority was only able to approve our visiting plan if we kept visitors and youth apart and made sure they did not have physical contact.

I have tested positive for COVID-19. May I still visit?

Only if these things are true:

- It's been at least 10 days since your symptoms first appeared; AND
- It's been at least 3 days since you've had any symptoms. That includes having a normal temperature without the use of aspirin or other medications that reduce fever.

The county where I live is not in Phase 2 of reopening yet. May I still visit?

Yes. Visitors may come from any county. However, we encourage you to keep in mind the risks of traveling from your location to MacLaren.

Is it safe to visit?

It is up to you to determine how much risk you're willing to accept in order to visit your youth. Please remember that MacLaren is still at baseline status for reopening because we had recent cases of COVID-19 on our campus.

However, we hope that all the precautions we're taking will prevent the virus from spreading while still allowing families to see their youth.

Here are some other things to keep in mind:

- If you are sick or have been in direct contact recently with someone who had COVID-19, do not visit.
- Older adults and people of any age who have serious underlying medical conditions might be at higher risk for serious illness from COVID-19.
- We are still making phone calls and video visits a priority for families who are unable to visit in person.

What other things are you doing during visitation to keep everyone healthy and safe?

- Only one living unit will be in the Visitation Center at a time.
- MacLaren staff at visitation will wear face masks and gloves. They also have to wash their hands before and in between every visitation time.
- Youth will be required to wear face coverings. They also have to wash their hands as they enter and leave the Visitation Center.
- MacLaren staff will clean and sanitize the visiting booths between visitation times.
- We are adjusting the ventilation system to maximize the amount of air coming in and out of the Visitation Center during visits and between visitation times.
- We will leave the doors on either end of the Visitation Center open so that fresh air can come inside.
- The tables where youth sit and the tables where their visitors sit will be six feet apart, with a clear plastic wall in between.

Are any youth not able to have visits?

If a youth is in our intervention unit, in quarantine, or in medical isolation, they may not have visitors. Youth in Noble and Maple units may not have visitors until they move out of intake.
